# Ocean Festival Sand Sculpture Competition

## Materials and Rules

### MATERIALS

- Sand within the designated building area (20' x 20')
- No adhesives permitted
- Water containers may be filled prior to the start of the contest
- You may have an unlimited number of water carriers.
- Your sand plot may be wet down prior to the contest starting time
- Biodegradable, non-toxic food coloring and/or Jell-O powder may be used to color the sand
- Naturally occurring plants and inanimate objects from the sea (such as seaweed, shells with out animals, etc.) may be used

### TOOLS

- All hand tools (masonry, garden or household implements, shovels and tampers)
- Pails, buckets, watering cans or hand pump sprayers are allowed
- Forms are permitted but must be removed prior to judging NOTE: *No **sculptured** forms are allowed*
- Compacted sand must be sculpted and altered by hand upon removal of forms

### COMPETITION

- There will be first, second and third place finishes in each category
- Competition will be in four categories: Castles and Things, Creatures, Open and Family

NOTE: All judges' decisions are final. Judges may designate the entrants' competition category. Judging time may be revised due to tidal conditions

### AREA

- Each team will be assigned a 20' x 20' sand plot.
